

VENDOR INFORMATION SHEET LHH 2012

May 31-June 3

Welcome to Light Hands Horsemanship. If you are a returning vendor we are so pleased that you will be returning. If you are joining us for the first time we look forward to sharing this very special event with you.

LHH is a small event but big in stature and reputation. We sold out last year and 2012 looks to be a sell out as well. We expect about 200 guests with additional staff and of course the clinicians.

LHH supplies a place on the lawn. We do not supply tents, tables etc. If you wish you can order those from Kate Rounds at Classic Party Rentals in Buellton. Her number is 805-686-1115. Just ask that your order be delivered with the LHH order and we will have it set up for you.

Power is limited so please let us know if it is absolutely necessary.

Each vendor must have a current sellers permit with the state of CA. Temporary ones are available at:
<http://boe.ca.gov/pdf/boe400spa.pdf>

You must have a copy with you at the event.

The event officially starts on Thursday May 31. We ask that Vendors be set up and ready by 5 pm on Wednesday May 30. You can come in on Tuesday the 29 in the afternoon to set if you like. People will start arriving for the day's activities late morning on Thursday the 31.

The whole event is centrally located and booth spaces are in the middle of it all so they all are excellent locations. In the past when the clinics are going on most people attend them and the vendors are welcome as well. We try to allow for lots of shopping time but with the location of the booths it makes it easy for our guests and vendors to stay well connected no matter what is going on.

Please check the event schedule (it will be posted by the end of Dec) to get an idea of opening and closing times.

We ask that you not drive on the grass if at all possible. Please check with Beverly if needed.

Because this is a private estate we ask that you take great care of your surroundings. It is a privilege to be at Intrepid Farms and we want to be welcome back.

Because we have limited parking we ask that you park any unneeded trailers at your hotel or the area just off of Roblar. (we will show you where that is).

Booth deposits are required by April 1st of \$100. Non refundable

Balance is due by May 15th. Two people are included in these booth fees.

Each vendor is asked to send a short description, contact information and a few photos (low resolution) of their booths or products to: eitan@foothill.net This will be placed on our Vendor page of the LHH website and stays up all year. If you already have it up from last year that is great but if you are new to LHH the sooner you send this information the better. 😊

Directions and hotels are located on the website.
